### **RESIDENTS INVITED TO PUBLIC MEETING ON THE WATER CONSERVATION PLAN FOR BERNALILLO COUNTY**

Bernalillo County Public Works Department will host a series of five public meeting to discuss the Draft Water Conservation Plan Review for Bernalillo County, New Mexico. Residents, landowners, and all interested parties are encouraged to attend and share their comments and suggestions for this plan.

Commissioner E. Tim Cummins and the Bernalillo County Public Works Division will host the second Water Conservation Plan Review Public Meeting on **Wednesday, January 25, 2006 from 6:30 – 8:30 pm at the William Sabrava Substation, 10401 Holly, NE.**

There will be a presentation on various components of the draft plan and an opportunity for individuals to provide comments and suggestions for the draft of the water conservation plan.

**“This project is very important to our community,” says Commissioner E. Tim Cummins. “Water Conservation awareness needs to be developed and utilized by everyone on a daily basis and I would urge full community participation at this public meeting.**

If you have any questions regard this meeting, please call Kerry Bassore with Bernalillo County Public Works Division at 505-848-1500.
